

## **Phone & Behavior Policy**

Campers will be allowed to have a cell phone at camp, but it must be stored with their belongings and not be kept on their person. Cell phone use will be allowed in cases of needing to contact a parent if the parent contacts us and informs us to let them check their phone. Please contact us directly if you need your child to check their phone for messages during camp. As privacy is important to us and others, campers will only have the opportunity to take photos with friends at the Friday “show” where other parents will be able to give their child permission to take photos with friends.

Kingdom Corn Maze LLC attempts to create a safe and inclusive environment for our guests that allow all guests to feel safe and welcome. We welcome a discussion surrounding individual needs of your child, including those that may need to be accompanied by a guardian or assistant during camp.

Campers are expected to be able to:

- Follow directions and stay with the group
- Work independently with the support of staff
- Learn to work as a team member
- Refrain from bullying, and hurting others physically and emotionally
- Be responsible for their own actions

Should behavior issues arise, the camper will be alerted to their behavior and given the chance for corrective behavior. If the behavior issue continues, there will be a call to a parent or guardian. In the case of a failure to correct behavior, the camper may be asked to be picked up with no refund.
